[wicks.14@osu.edu](mailto:wicks.14@osu.edu) or 330.202.3533

# Manure Science Review 2009 Program

The program below will be offered at two Ohio locations:

## SESSION 1 (9:00 am to noon)

Nutrient Management Workshop I: A hands-on session using a workbook to determine crop nutrient needs, manure application rates and crop nutrient balance.

**July 21** at Manor Restaurant, Strasburg or **July 23** at St. Marys Hall, St. Marys (directions below)

**LUNCH** (noon-1 pm) **July 21** at Manor Restaurant, Stasburg or **July 23** at St. Marys Hall, St. Marys

## SESSION 2 (1:00 to 4:00 pm) Concurrent Sessions

Nutrient Management Workshop II: Build on the morning program with an in-depth look at nutrient management issues, including an on-site assessment of application BMPs.

**July 21** at Manor Restaurant, Strasburg or **July 23** at St. Marys Hall, St. Marys (directions below)

Inventory & Evaluation (I&E) Workshop: On-site farm assessment focused on specific areas of concern and identification of mitigation options for manure handling.

**July 21** at Rowe Dairy, Strasburg or **July 23** at Brown Dairy, New Bremen (directions below)

## Education Credits

### ODA Certified Livestock Managers (CLM)

- **Two-day training.** MSR will be Day 1 of training. Day 2 will take place on July 23 (Strasburg) or July 24 (New Bremen).
